Re : CIC Dinner and Dance 2009

We would like to extend our appreciation for all your hard work & effort in making our event a successful and memorable one.

Des D Mel has done an excellent job for us as an emcee and host for our Dinner & Dance 2009 and our staff is delighted with your performance.

We have enjoyed working with you and look forward to future opportunities to make use of your expertise.

Your ability to capture and sustain audience's interaction and participation is indeed a key to the success of the evening..

We would heartily recommend you to other organizations who desire a professional, energetic and experienced presenter where entertainment is required.

Well Done!!
