COMMENDATION LETTER FOR EVENT ORGANIZED FOR THE 28TH GSMB UNIT ANNIVERSARY CELEBRATIONS

1. On the behalf of the committee, I would like to thank Des D Mel for the efficient and professional way of handling this event. Junior who was the POC for our event, was very responsive to all the requests made. The event couldn't have been a success with the detailed planning and co-ordination done by him.
2. In addition, we would like to extend our thanks to Desmond, who was the emcee for the show, who exhibited his humor, wits and magic to charm and entertain the audience throughout the night. It was indeed a fun filled and enjoyable night of entertainment, receiving many compliments from our guests and the guys themselves.
3. Once again, on the behalf of the committee, I would like to express our appreciation to the excellent entertainment provided by Des D Mel for our 28th GSMB Unit Anniversary held on the 27th Jan 06 at the Orchid Country Club Grand Ballroom. It was indeed a pleasure working with the team from Des D Mel!

Thank you.

Yours sincerely,
